JURY DEMANDED

ORDER

The Board of the Round Rock Independent School District is employing a rule during its meetings which appears to unconstitutionally restrict free speech and the right to petition the Board by limiting such speech to a prescribed set of agenda items. The Board also appears to be using arbitrary space limitations as pretext to restrict public participation in what should be a meeting that is open to the public.

Federal courts recognize that deprivations of constitutionally protected rights constitute irreparable harm. In balancing the equities involved in Plaintiffs' request for this injunctive relief, the Court concludes that no harm will be suffered if the Round Rock Independent practice of disallowing petitioners at its meetings to speak only on prescribed topics is enjoined. Nor will Round Rock Independent School District's Board of Trustees suffer damages if it operates to allow the public to attend and participate in its board meetings using the capacity established by the appropriate fire code and not arbitrarily reduced spacing requirements.

The Court therefore ENJOINS Round Rock Independent School District from: a) removing or otherwise retaliating against speakers at its special or called meetings who speak on unapproved topics, and b) restricting public participation by arbitrary reducing capacity of meeting rooms by using seating rules which substantially restrict public participation. The Round Rock Independent School District must be consistent across all its gatherings and allow for sufficient space for the public to attend its meetings, based on reasonable expectations of attendance.

The Court also ENJOINS the expenditure of taxes collected on the rate set at the Round Rock Independent School District at its September 14, 2021, meeting until such time as the District gives notice and hold a meeting in which the public may meaningfully participate.

The Court also ENJOINS the status of Hafedh Azaiez as the contracted superintendent of Round Rock Independent School District and the contract between Azaiez and Round Rock Independent School District treated as rescinded pending adjudication of this case.

This ORDER is contingent on a bond in the amount of \$100 to be filed with the Court. It is further ORDERED that this Temporary Restraining Order shall expire 14 days from issuance unless it is extended.

Plaintiffs' Application for a Preliminary Injunction will be heard on June ____, 2022 at ____ a.m./p.m. before this Court unless otherwise notified.

Signed this ____ day of May, 2022.

Attorney for Vanessa Ruiz

EXHIBIT A

NOTICE: THIS DOCUMENT CONTAINS SENSITIVE DATA

DECLARATION IN SUPPORT

“My name is Vanessa Ruiz and I am the Petitioner in the above-styled and numbered cause. I am over the age of 21 and am competent in all respects to make this declaration. The facts stated in this declaration are within my personal knowledge and are true and correct.

I am the Petitioner in this case. Hafedh Azaiez is Respondent in this suit. I attest that the following is true:

“I have had a previous dating relationship with Mr. Hafedh Azaiez beginning in September 2018. Mr. Azaiez lived in Donna, Texas on his own and told me he no longer connected to the mother of his children on an emotional nor intimate level which was the reason they were not together. Mr. Azaiez portrayed to me that he was not married. He would only travel to Houston to see his children. He pursued me to initiate a long term relationship, called me every day visited me, traveled with me and indicated we would be together as we planned his upcoming move to Austin, Texas. This relationship continued for over next 3 years.

“In December of 2020, I ended the relationship as I found out that he lied to me, misled me, and had yet to divorce his wife. He indicated he could not give me more at that time. He told me that he needed time because of issues with his wife and visas for his wife's family members. He convinced me that his marriage was an agreed arrangement. He told me that he was waiting for his children to grow up and then he could file for divorce. He made me believe that he no longer wanted to live with her and was not planning on looking for a job in Houston or return to his

marriage. In February of 2021 we resumed this relationship and made plans for his next job to be in Austin, Texas as I reside here in Austin, Texas.

“Throughout this relationship he has displayed behaviors of manipulation and extreme control. Several colleagues in the education field would notice his obsession with me and even witnessed him following me in educational conferences and calling me constantly if I was not with him. In our intimacy he was very rough, although I asked him many times to not be so rough and asked him why he needed to be like this. I did not think this was normal.

“Currently, I am 9 weeks pregnant with Mr. Azaiez’s child and I am one hundred percent sure he is the father and will prove this with a paternity test. I will seek to prove paternity now if allowed to as this man is informing everyone that he is not the father in an attempt to silence me and make me lose my good reputation within the education community. I have not had a sexual relationship with anyone else during my 3-year relationship with him.

“I informed Mr. Azaiez of the pregnancy on June 24, 2021. Mr. Azaiez had just signed a contract to become the Superintendent of the Round Rock Independent School District. He was very worried about the possibility of losing his job. He was very angry and accused me of doing this on purpose to destroy his career and family. He accused me and stated that I wanted him to lose his family and career. I did not understand where this was coming from and the ability to now change the story, to lie and become so aggressive towards me was appalling to me. He told me he was not willing to lose this contract as it was a large amount of money and he needed it to pay for his son’s expensive pilot school. Just the week prior, he told me he wanted to be with me and said he needed to process how to go about this. As soon as I told him I was pregnant, he then blamed me for the affair and said I told him this could not happen in reference to getting pregnant.

“Mr. Azaiez then started to threaten me verbally on phone calls and on text messages. He asked me to have an abortion so that he would not lose his career and family. I was very upset at this, and I said no to an abortion and told him that I had made up my mind to have the child. I also informed him he was a true disgrace in my eyes, he did not know God and that I did not want anything to do with him. I would never be with a man who lies and acts this way, **See screenshot of text messages attached hereto as Exhibit 1.**

“He said this child was a mistake and so was I, he wanted nothing to do with this child, he did not want it. He said I was lying, and he was not the father of the child. I told him that I needed to inform my employer. I told him, I was not going to hide as he asked me to, and I would say the truth. I would do the right thing and not accept my new contract.

“On June 27, 2021, I asked him to come meet me in person, go to my doctor’s appointment and figure out what was best. He refused and he did not want me to say anything as this would mean people in the education field would find out. He started to really try to intimidate me by telling me he was in a position of power, and he continued to accuse me of defaming him and that he would be fired. I was to blame and would pay the consequences with my career and this baby. He then said no one would believe me if I said he was the father and that he would tell everyone I was crazy and make me look crazy. I informed him I needed to tell the truth and asked him several times to inform his school board before they found out via other sources of information, as many Round Rock ISD employees are my colleagues and classmates in my doctoral program. He said the school board president was aware and had offered to protect him, she was informing him of everything and guaranteed him he would not lose his job. In the past, I had heard conversations between him and the school board president plotting things and keeping things from other school board members. On the day of the vote

for his hire she planned and asked him to be present without anyone else knowing and used the communications director to continue the planning. I feel very intimidated by this woman Amy Weir the school board president as she is telling everyone I am lying about the abuse. I am scared to report but I am not lying.

“On July 6, 2021, we had another argument over the phone, and he insisted I or my friend had gone to the school board and informed them. I said I didn’t, and he then threatened me and told me that the school board president had informed him, and she would protect him and that I was going to pay for him losing his career and family. That I would not end his career or family.

“On the same day, July 6, 2021, very late that evening Mr. Azaiez came to my home and started to argue with me, telling me to get an abortion and I refused. He became so angry he grabbed my arms with force, shaking me and shoving me until he threw me to the floor. I told him I would call the police and he grabbed my phone. He then started to say he was sorry and say he didn’t mean to do this. I was so scared I just wanted him to leave. I made him believe that I accepted his apology to get him to leave. **See photos of bruising attached hereto as Exhibit 2, 3, & 4.**

“This man has lost his sense of reality and I believe he is very emotionally unstable. He believes he will lose his lucrative superintendent contract and he is determined to not lose it. He is blaming me, threatening me, has assaulted me, and I feel like he will continue to do so. I developed bruises and since this attack and I have had some bleeding and spotting in my pregnancy and have been advised by my physician that I am threatened to miscarry the pregnancy. I do not want to lose my baby.

“Other incidents that have occurred has made me feel really unsafe and fearful of my life and my baby’s life. I went out of town on Friday, July 16, 2021, and came home on Sunday, July 18, 2021, to find that my had been home broken into. I called the police/sheriff to report my back

door was open and when I opened my door, I could see my house had been searched. Deputy Abigail Connly from the Travis County Sheriff's Office responded to my home. During the walkthrough with Deputy Connly, I could see that only items that may contain personal information had been taken. Deputy Connly noted in her report that that my personal laptop, iPad, pictures, and my personal journals that were in my nightstand were taken. (Case No. 211990404; Offense: Burglary of Residence) My valuables such as my jewelry, cash, or other expensive items were not taken. I believe the break-in was Mr. Azaiez gathering my personal items that might expose him and prove that this relationship was true and any possible evidence I may have to support the existence of the relationship and his threatening behaviors.

"I am currently not living in my home as I am fearful of Mr. Azaiez and what can happen to me and my baby. I have been living between a friend's home and hotels since July 18, 2021, after the break-in. I cannot eat or sleep because I am scared of this man and feel he will come through with his threats.

"I want to report the assault and file a police report, but I am fearful of him retaliating against me. I feel like my life is in danger and need protection from him. I want to report the assault to the police and what he did to me when he hurt me physically, but I feel like I need to be protected to do so. If this situation were to come to light, I fear he will lose it and retaliate against me and hurt me in a worse way.

"I am losing my ability to live life. I am fearful that my career and reputation will suffer. I have worked so hard for the last 21 years, as an educator and a school leader, to have someone tarnish that and hurt me is so devastating and hurtful. I am only needing protection and peace for my baby and me. All I want is to move on and try to have some peace of mind and focus on my health.

“My name is Vanessa Ruiz, my date of birth is 08/18/1977 and my address is 820 Camino Vaquero Pkwy #4105, Austin, Travis County, Texas. I declare under penalty of perjury that the foregoing is true and correct.

8. *Request for Temporary Ex Parte Order*

Before the filing of this application, Respondent has engaged in conduct that constitutes family violence. See Petitioner's declaration in support attached hereto as Exhibit A. There is an immediate need for the protective order requested in this application.

Based on the conduct of Respondent as alleged, Applicant reasonably fears that there is a clear and present danger of family violence, which will cause Applicant immediate and

irreparable injury, loss, and damage, for which Applicant has no adequate remedy at law.

Applicant therefore requests the Court to issue a temporary ex parte order immediately for the protection of Protected Person:

Prohibiting Respondent from committing family violence as defined in section 71.004 of the Texas Family Code.

Prohibiting Respondent from doing any act other than a defensive measure to protect Respondent that is intended to result in physical harm, bodily injury, assault, or sexual assault against Protected Person.

Prohibiting Respondent from doing any act other than a defensive measure to protect Respondent that is a threat that reasonably places Protected Person in fear of imminent physical harm, bodily injury, assault, or sexual assault.

Prohibiting Respondent from communicating directly with Protected Person in a threatening or harassing manner.

Prohibiting Respondent from communicating a threat through any person to Protected Person.

On a finding of good cause, prohibiting Respondent from communicating in any manner with Protected Person except through Respondent's attorney or a person appointed by the Court.

Prohibiting Respondent from engaging in conduct directed specifically toward Protected Person, including following the Protected Person, that is reasonably likely to harass, annoy, alarm, abuse, torment, or embarrass the Protected Person.

Prohibiting Respondent from going to or near, or within 500 feet of, any location where Protected Person is known by Respondent to be and from remaining within 500 feet after Respondent becomes aware of the Protected Person's presence.

Prohibiting Respondent from going to or near the residences or places of employment or business of Protected Person. Applicant requests the Court to specifically prohibit Respondent from going to or near 500 feet and to specifically require Respondent to maintain 500 feet.

Prohibiting Respondent from harming, threatening, or interfering with the care, custody, or control of a pet, companion animal, or assistance animal, as defined by section 121.002 of the Texas Human Resources Code, that is possessed by or in the actual or constructive care of Protected Person.

Prohibiting Respondent from transferring, encumbering, or otherwise disposing of property mutually owned or leased by the parties, except when in the ordinary course of business.

Prohibiting Respondent from possessing a firearm or ammunition unless Respondent is a peace officer, as defined by section 1.07 of the Texas Penal Code, actively engaged in employment as a sworn, full-time paid employee of a state agency or political subdivision.

Prohibiting Respondent from interfering with Applicant's use of the residence located at 820 Camino Vaquero Pkwy., #4105, Austin, TX 78748, including but not limited to disconnecting utilities or telephone service or causing such services to be disconnected.

Granting Applicant exclusive possession of the parties' residence.

Applicant requests the Court to dispense with the necessity of a bond.

9. *Best Interest*

The protective order requested is in the best interest of the family, household, or member of the family or household.

10. Attorney's Fees and Costs

The Court should assess against Hafedh Azaiez a reasonable attorney's fee as compensation for Muery & Farrell, PC, Adam T. Muery, and judgment should be rendered in favor of this attorney against Hafedh Azaiez.

Applicant requests that Respondent be ordered to pay reasonable attorney's fees, the \$16 protective order fee, the cost of service of the protective order, the costs of court, and all other fees, charges, or expenses incurred in connection with the protective order before the sixtieth day after the date the order is rendered.

11. Prayer

Applicant prays that notice of this Application for a Protective Order issue as required by law and that the Court enter the protective orders as requested in this application.

Applicant further prays that the Court immediately issue a temporary protective order, ex parte, in conformity with the allegations stated above, prohibiting Respondent from the acts and ordering Respondent to do the acts set forth above until a hearing can be held.

Applicant prays that a hearing be held no later than the fourteenth day after the date this application is filed; that, after notice and hearing, the Court grant the relief requested above; and that the Court dispense with the necessity of a bond.

Applicant prays for attorney's fees, costs, charges, and expenses.

Applicant prays for general relief.

**FIRST AMENDED TEMPORARY EX PARTE PROTECTIVE ORDER
AND ORDER SETTING HEARING**

On _____, the application of Vanessa Ruiz Applicant, for a temporary ex parte protective order was presented to the Court.

Applicant and Respondent had a dating relationship as defined in section 71.0021(b) of the Texas Family Code.

The Court finds that there is a clear and present danger of family violence unless Hafedh **Azaiez** is ordered to do or refrain from doing certain acts, as shown below.

The Court finds that there is an immediate need for the following protective orders to prevent family violence and to protect Applicant and that the orders are in the best interest of Applicant.

In this order, "Protected Person" means Applicant.

IT IS THEREFORE ORDERED that the clerk of this Court issue temporary ex parte protective orders as follows, and Respondent is immediately:

Prohibited from committing family violence against Petitioner, as defined by section 71.004 of the Texas Family Code.

Prohibited from doing any act other than a defensive measure to protect Respondent that is intended to result in physical harm, bodily injury, assault, or sexual assault against Protected Person.

Prohibited from doing any act other than a defensive measure to protect Respondent that is a threat that reasonably places Protected Person in fear of imminent physical harm, bodily injury, assault, or sexual assault.

Prohibited from communicating directly with Protected Person in a threatening or harassing manner.

Prohibited from communicating a threat through any person to Protected Person.

Prohibited, on the basis of good cause shown, from communicating in any manner with Protected Person except through Respondent's attorney or Petitioner's attorney.

Prohibited from engaging in conduct directed specifically toward Protected Person, including following the Protected Person, that is reasonably likely to harass, annoy, alarm, abuse, torment, or embarrass the Protected Person.

Prohibited from going to or near the residences or places of employment or business of Protected Person. The Court specifically prohibits Respondent from going to or near 500 feet and specifically requires Respondent to maintain 500 feet.

Prohibited from going to or near, or within 500 feet of, any location where Protected Person is known by Respondent to be and further prohibited from remaining within 500 feet after Respondent becomes aware of the Protected Person's presence.

Prohibited from transferring, encumbering, or otherwise disposing of property mutually owned or leased by the parties, except when in the ordinary course of business.

Prohibited from possessing a firearm or ammunition, unless Respondent is a peace officer, as defined by section 1.07 of the Texas Penal Code, actively engaged in employment as a sworn, full-time paid employee of a state agency or political subdivision.

Prohibited from interfering with Applicant's use of the residence located at 820 Camino Vaquero Pkwy., #4105, Austin, TX 78748, including but not limited to disconnecting utilities or telephone service or causing such services to be disconnected.

These temporary ex parte protective orders shall be effective immediately and binding on Respondent and shall continue in full force and effect for twenty days from the date this order is signed unless terminated sooner by order of this Court.

The requirement of a bond is waived.

IT IS FURTHER ORDERED that the clerk shall issue notice to Respondent, Hafedh Azaiez, to appear, and Respondent is ORDERED to appear in person, before this Court in the courthouse at 1000 Guadalupe Street, Austin, Texas, on AUGUST 12, 2021 at 8:30 A. M. The purpose of this hearing is to determine whether the Court should issue its protective order -

Prohibiting Respondent from communicating directly with Protected Person in a threatening or harassing manner.

Prohibiting Respondent from communicating a threat through any person to Protected Person.

On a finding of good cause, prohibiting Respondent from communicating in any manner with Protected Person except through Respondent's attorney or a person appointed by the Court.

Prohibiting Respondent from engaging in conduct directed specifically toward Protected Person, including following the Protected Person, that is reasonably likely to harass, annoy, alarm, abuse, torment, or embarrass the Protected Person.

Prohibiting Respondent from going to or near, or within 500 feet of, any location where Protected Person is known by Respondent to be and from remaining within 500 feet after Respondent is aware of the Protected Person's presence.

Prohibiting Respondent from going to or near the residences or places of employment or business of Protected Person. Specifically prohibiting Respondent from going to or near 500 feet and specifically requiring Respondent to maintain 500 feet.

Requiring Respondent to complete a battering intervention and prevention program or counseling as provided by section 85.022(a) of the Texas Family Code.

**AGREED MOTION TO EXTEND EX PARTE PROTECTIVE ORDER
AND MOTION FOR CONTINUANCE**

COMES NOW, Vanessa Ruiz, Petitioner, and files this Agreed Motion to Extend Ex Parte Protective Order and Motion for Continuance who shows in support:

1. On July 30, 2021 a temporary ex parte protective order was issued and a hearing was set for 8:30a.m. on August 12, 2021.
2. Good cause exists for extension because Respondent's counsel was recently retained and has a conflict for the date and time set for this hearing.
3. In addition, the temporary ex parte protective order is likely to expire before a new hearing date is acquired.
4. Therefore, the parties have agreed to extend the temporary protective order as evidenced by Respondent and Respondent's counsel signature below.
5. A continuance is necessary so that Respondent and his respective Counsel can adequately prepare for hearing in this matter.
6. This continuance is not sought solely for delay, but that justice may be done.

Vanessa Ruiz prays that the Court grant this Motion to Extend Ex Parte Protective Order and Motion for Continuance.

VANESSA RUIZ	§	IN THE DISTRICT COURT
	§	
AND	§	53rd JUDICIAL DISTRICT
	§	
HAFEDH AZAIEZ	§	TRAVIS COUNTY, TEXAS

**AGREED EXTENDED TEMPORARY EX PARTE PROTECTIVE ORDER
AND ORDER SETTING HEARING**

On _____, the Court considered the Agreed Motion to Extend Temporary Ex Parte Protective Order and Motion for Continuance and finds that good cause exists for an extension to the ex parte protective order and order to appear, pursuant to the agreement of the parties.

The Court further finds that RESPONDENT'S AGREEMENT TO THE EXTENSION OF THE TEMPORARY EX PARTE PROTECTIVE ORDER DOES NOT CONSTITUTE A WAIVER OF RESPONDENT'S RIGHTS TO DEFEND AGAINST THE ALLEGATIONS SET OUT IN APPLICANT'S PLEADINGS; THAT RESPONDENT EXPRESSLY DENIES THAT HE COMMITTED ACTS OF FAMILY VIOLENCE; AND THAT RESPONDENT EXPRESSLY DENIES ALL OTHER FINDINGS AND ALLEGATIONS AS SET OUT IN THE TEMPORARY EX PARTE PROTECTIVE ORDER, PETITIONER'S APPLICATION FOR PROTECTIVE ORDER, AND HER SUPPORTING AFFIDAVIT.

The Court, having examined the pleadings and allegations of Applicant, finds that Applicant's sworn pleadings and allegations show that Applicant is a girlfriend of Respondent and that -

Applicant and Respondent had a dating relationship as defined in section 71.0021(b) of the

Texas Family Code.

The Court finds that there is a clear and present danger of family violence unless Hafeedh Azaiez is ordered to do or refrain from doing certain acts, as shown below.

The Court finds that there is an immediate need for the following protective orders to prevent family violence and to protect Applicant and that the orders are in the best interest of Applicant.

In this order, "Protected Person" means Applicant.

IT IS THEREFORE ORDERED that the clerk of this Court issue temporary ex parte protective orders as follows, and Respondent is immediately:

Prohibited from committing family violence against Petitioner, as defined by section 71.004 of the Texas Family Code.

Prohibited from doing any act other than a defensive measure to protect Respondent that is intended to result in physical harm, bodily injury, assault, or sexual assault against Protected Person.

Prohibited from doing any act other than a defensive measure to protect Respondent that is a threat that reasonably places Protected Person in fear of imminent physical harm, bodily injury, assault, or sexual assault.

Prohibited from communicating directly with Protected Person in a threatening or harassing manner.

Prohibited from communicating a threat through any person to Protected Person.

Prohibited, on the basis of good cause shown, from communicating in any manner with Protected Person except through Respondent's attorney or Petitioner's attorney.

Prohibited from engaging in conduct directed specifically toward Protected Person, including following the Protected Person, that is reasonably likely to harass, annoy, alarm, abuse,

torment, or embarrass the Protected Person.

Prohibited from going to or near the residences or places of employment or business of Protected Person. The Court specifically prohibits Respondent from going to or near 500 feet and specifically requires Respondent to maintain 500 feet.

Prohibited from going to or near, or within 500 feet of, any location where Protected Person is known by Respondent to be and further prohibited from remaining within 500 feet after Respondent becomes aware of the Protected Person's presence.

Prohibited from transferring, encumbering, or otherwise disposing of property mutually owned or leased by the parties, except when in the ordinary course of business.

Prohibited from possessing a firearm or ammunition, unless Respondent is a peace officer, as defined by section 1.07 of the Texas Penal Code, actively engaged in employment as a sworn, full-time paid employee of a state agency or political subdivision.

Prohibited from interfering with Applicant's use of the residence located at 820 Camino Vaquero Pkwy., #4105, Austin, TX 78748, including but not limited to disconnecting utilities or telephone service or causing such services to be disconnected.

These temporary ex parte protective orders shall be effective immediately and binding on Respondent and shall continue in full force and effect for twenty days from the date this order is signed unless terminated sooner by order of this Court.

The requirement of a bond is waived.

Respondent is ORDERED to appear in person, before this Court in the courthouse at 1000 Guadalupe Street, Austin, Texas, on August 26, 2021 at 8:30 A. M. The purpose of this hearing is to determine whether the Court should issue its protective order -

Prohibiting Respondent from committing family violence as defined in section 71.004 of the Texas Family Code.

Prohibiting Respondent from doing any act other than a defensive measure to protect Respondent that is intended to result in physical harm, bodily injury, assault, or sexual assault against Protected Person.

Prohibiting Respondent from doing any act other than a defensive measure to protect Respondent that is a threat that reasonably places Protected Person in fear of imminent physical harm, bodily injury, assault, or sexual assault.

Prohibiting Respondent from communicating directly with Protected Person in a threatening or harassing manner.

Prohibiting Respondent from communicating a threat through any person to Protected Person.

On a finding of good cause, prohibiting Respondent from communicating in any manner with Protected Person except through Respondent's attorney or a person appointed by the Court.

Prohibiting Respondent from engaging in conduct directed specifically toward Protected Person, including following the Protected Person, that is reasonably likely to harass, annoy, alarm, abuse, torment, or embarrass the Protected Person.

Prohibiting Respondent from going to or near, or within 500 feet of, any location where Protected Person is known by Respondent to be and from remaining within 500 feet after Respondent is aware of the Protected Person's presence.

Prohibiting Respondent from going to or near the residences or places of employment or business of Protected Person. Specifically prohibiting Respondent from going to or near 500 feet and specifically requiring Respondent to maintain 500 feet.

Prohibiting Respondent from transferring, encumbering, or otherwise disposing of property mutually owned or leased by the parties, except when in the ordinary course of business.

Prohibiting Respondent from possessing a firearm or ammunition, unless Respondent is a

peace officer, as defined by section 1.07 of the Texas Penal Code, actively engaged in employment as a sworn, full-time paid employee of a state agency or political subdivision.

Suspending Respondent's license to carry a handgun issued under subchapter H, chapter 411, of the Texas Government Code.

Requiring Respondent to complete a battering intervention and prevention program or counseling as provided by section 85.022(a) of the Texas Family Code.

This hearing is also to determine whether the Court should assess reasonable attorney's fees against Hafedh Azaiez to be awarded to DeVondolyn Arrington, Muery & Farrell, PC.

This hearing is also to determine whether the identifying information, which the Court has sealed, should be disclosed to Respondent.

Warning

A PERSON WHO VIOLATES THIS ORDER MAY BE PUNISHED FOR CONTEMPT OF COURT BY A FINE OF AS MUCH AS \$500 OR BY CONFINEMENT IN JAIL FOR AS LONG AS SIX MONTHS, OR BOTH.

NO PERSON, INCLUDING A PERSON WHO IS PROTECTED BY THIS ORDER, MAY GIVE PERMISSION TO ANYONE TO IGNORE OR VIOLATE ANY PROVISION OF THIS ORDER. DURING THE TIME IN WHICH THIS ORDER IS VALID, EVERY PROVISION OF THIS ORDER IS IN FULL FORCE AND EFFECT UNLESS A COURT CHANGES THE ORDER.

OR AMMUNITION.

A VIOLATION OF THIS ORDER BY COMMISSION OF AN ACT PROHIBITED BY THE ORDER MAY BE PUNISHABLE BY A FINE OF AS MUCH AS \$4,000 OR BY CONFINEMENT IN JAIL FOR AS LONG AS ONE YEAR, OR BOTH. AN ACT THAT

RESULTS IN FAMILY VIOLENCE MAY BE PROSECUTED AS A SEPARATE MISDEMEANOR OR FELONY OFFENSE. IF THE ACT IS PROSECUTED AS A SEPARATE FELONY OFFENSE, IT IS PUNISHABLE BY CONFINEMENT IN PRISON FOR AT LEAST TWO YEARS.

**AGREED EXTENDED TEMPORARY EX PARTE PROTECTIVE ORDER
AND ORDER SETTING HEARING**

On August 18, 2021, the Court considered the Agreed Motion to Extend Temporary Ex Parte Protective Order and Motion for Continuance and finds that good cause exists for an extension to the ex parte protective order and order to appear, pursuant to the agreement of the parties.

The Court further finds that RESPONDENT'S AGREEMENT TO THE EXTENSION OF THE TEMPORARY EX PARTE PROTECTIVE ORDER DOES NOT CONSTITUTE A WAIVER OF RESPONDENT'S RIGHTS TO DEFEND AGAINST THE ALLEGATIONS SET OUT IN APPLICANT'S PLEADINGS; THAT RESPONDENT EXPRESSLY DENIES THAT HE COMMITTED ACTS OF FAMILY VIOLENCE; AND THAT RESPONDENT EXPRESSLY DENIES ALL OTHER FINDINGS AND ALLEGATIONS AS SET OUT IN THE TEMPORARY EX PARTE PROTECTIVE ORDER, PETITIONER'S APPLICATION FOR PROTECTIVE ORDER, AND HER SUPPORTING AFFIDAVIT.

The Court, having examined the pleadings and allegations of Applicant, finds that Applicant's sworn pleadings and allegations show that Applicant is a girlfriend of Respondent and that -

Applicant and Respondent had a dating relationship as defined in section 71.0021(b) of the

Texas Family Code.

The Court finds that there is a clear and present danger of family violence unless Hafeedh Azaiez is ordered to do or refrain from doing certain acts, as shown below.

The Court finds that there is an immediate need for the following protective orders to prevent family violence and to protect Applicant and that the orders are in the best interest of Applicant.

In this order, "Protected Person" means Applicant.

IT IS THEREFORE ORDERED that the clerk of this Court issue temporary ex parte protective orders as follows, and Respondent is immediately:

Prohibited from committing family violence against Petitioner, as defined by section 71.004 of the Texas Family Code.

Prohibited from doing any act other than a defensive measure to protect Respondent that is intended to result in physical harm, bodily injury, assault, or sexual assault against Protected Person.

Prohibited from doing any act other than a defensive measure to protect Respondent that is a threat that reasonably places Protected Person in fear of imminent physical harm, bodily injury, assault, or sexual assault.

Prohibited from communicating directly with Protected Person in a threatening or harassing manner.

Prohibited from communicating a threat through any person to Protected Person.

Prohibited, on the basis of good cause shown, from communicating in any manner with Protected Person except through Respondent's attorney or Petitioner's attorney.

Prohibited from engaging in conduct directed specifically toward Protected Person, including following the Protected Person, that is reasonably likely to harass, annoy, alarm, abuse,

torment, or embarrass the Protected Person.

Prohibited from going to or near the residences or places of employment or business of Protected Person. The Court specifically prohibits Respondent from going to or near 500 feet and specifically requires Respondent to maintain 500 feet.

Prohibited from going to or near, or within 500 feet of, any location where Protected Person is known by Respondent to be and further prohibited from remaining within 500 feet after Respondent becomes aware of the Protected Person's presence.

Prohibited from transferring, encumbering, or otherwise disposing of property mutually owned or leased by the parties, except when in the ordinary course of business.

Prohibited from possessing a firearm or ammunition, unless Respondent is a peace officer, as defined by section 1.07 of the Texas Penal Code, actively engaged in employment as a sworn, full-time paid employee of a state agency or political subdivision.

Prohibited from interfering with Applicant's use of the residence located at 820 Camino Vaquero Pkwy., #4105, Austin, TX 78748, including but not limited to disconnecting utilities or telephone service or causing such services to be disconnected.

These temporary ex parte protective orders shall be effective immediately and binding on Respondent and shall continue in full force and effect for twenty days from the date this order is signed unless terminated sooner by order of this Court.

The requirement of a bond is waived.

Respondent is ORDERED to appear in person, before this Court in the courthouse at 1000 Guadalupe Street, Austin, Texas, on August 26, 2021 at 8:30 A. M. The purpose of this hearing is to determine whether the Court should issue its protective order -

Prohibiting Respondent from committing family violence as defined in section 71.004 of the Texas Family Code.

Prohibiting Respondent from doing any act other than a defensive measure to protect Respondent that is intended to result in physical harm, bodily injury, assault, or sexual assault against Protected Person.

Prohibiting Respondent from doing any act other than a defensive measure to protect Respondent that is a threat that reasonably places Protected Person in fear of imminent physical harm, bodily injury, assault, or sexual assault.

Prohibiting Respondent from communicating a threat through any person to Protected Person.

On a finding of good cause, prohibiting Respondent from communicating in any manner with Protected Person except through Respondent's attorney or a person appointed by the Court.

Prohibiting Respondent from engaging in conduct directed specifically toward Protected Person, including following the Protected Person, that is reasonably likely to harass, annoy, alarm, abuse, torment, or embarrass the Protected Person.

Prohibiting Respondent from going to or near, or within 500 feet of, any location where Protected Person is known by Respondent to be and from remaining within 500 feet after Respondent is aware of the Protected Person's presence.

Requiring Respondent to complete a battering intervention and prevention program or counseling as provided by section 85.022(a) of the Texas Family Code.

This hearing is also to determine whether the Court should assess reasonable attorney's fees against Hafedh Azaiez to be awarded to DeVondolyn Arrington, Muery & Farrell, PC.

This hearing is also to determine whether the identifying information, which the Court has sealed, should be disclosed to Respondent.

FOR IMMEDIATE RELEASE

8/3/2021

Statement from Dr Mary Bone, RRISD Trustee and Danielle Weston RRISD Trustee

Since the RRISD Board of Trustees was first notified of deeply troubling accusations (including criminal accusations) against RRISD Superintendent, Hafedh Azaiez, in mid-July, we (Bone and Weston) have actively sought to protect RRISD students, staff and the community at large. We speak only for ourselves in this press release.

On 7/13/2021, Trustee Bone was contacted by a woman who briefed Bone that Dr Azaiez assaulted her and that she feared for her safety and that of her unborn child. The victim shared that once protective measures (including but not limited to a restraining order) were put in place, and when she felt safe to do so, she would pursue criminal charges. She also requested to be able to share her story with the board president. Trustee Bone then fully briefed the board president on everything she had just learned including the request that the board president listen to the victim's story herself. The board president declined this request. Thus, the entire board (except for one trustee) received an e-mail from the victim on 7/14/2021 which included a request to share her story with the entire board.

A meeting was then scheduled for 7/23/2021 but was cancelled. For reasons unknown to us, the agenda for that meeting (on 7/23/2021) only listed one agenda item, "Pursuant to Texas Government Code Under Section 551.071, the Board will meet in consultation with its attorney regarding the Superintendent's contract." The agenda failed to include an item to discuss allegations made against the superintendent (TGC 551.074 would have likely covered this). It also failed to allow trustees to participate virtually and failed to allow the board to take any action. Thus, it's unlikely that the 7/23/2021 meeting would have been productive because the entire board would not have been able to properly address this situation. Our expectation was that this meeting would be rescheduled ASAP with the appropriate and needed agenda items and provisions. Our desire to hold a proper and special meeting on this topic has not changed. And yet despite repeated requests, we have been denied. Even now, no meeting has been scheduled.

We know of no other course of action than to pursue board policies to exercise proper oversight of the RRISD. Policy BE Local states on page 1:

"The Board President may call special meetings. The Board President shall call a special meeting at the request of two members of the Board. Special meetings shall be called when, due to the requirements of action by the Board, it does not appear that a matter requiring action may be dealt with in a regular Board meeting. Special meetings may also be called for the convenience of the public in order to allow the Board to decide specific items in a timely manner."

On 7/23/2021, the board received an e-mail detailing troubling accusations (including criminal accusations) from another source who had spoken at length with the accuser. Victims of domestic violence are often dismissed, marginalized and they commonly live in fear. Most victims of domestic

violence never come forward because it is too dangerous to do so. In our view, the failure to promptly schedule and hold a board of trustees meeting to discuss and address this matter can only mean that our high level of concern and sense of urgency is not universally shared among all seven trustees.

It is difficult to navigate domestic violence accusations but we are guided by meaningful principles. First, all persons in our country are innocent until proven guilty. Second, the well-being of our students, staff and community are more important than anything else. Third, given the credibility of the accuser, these accusations cannot be ignored.

As elected officials we swore an oath to the Constitution. We are also committed to a Code of Ethics and are charged with ultimate leadership of the RRISD. We hold unique power and trust. We are duty bound to prioritize the safety and well-being of our students and staff and to protect the entire district. Our on-going desire to hold a proper and special meeting on this topic has not changed. As individual trustees, we have no power. Only as a body corporate are we able to discuss and take action on matters. It's imperative a special meeting be held immediately.

A urgent matter of concern for RRISD students, parents, teachers and administrators

Hide

Board of Trustees,

An issue of grave concern has been brought to my attention. The recently appointed Superintendent, Hafedh Azaiez has been accused of having extra-marital sexual tryst over the past four years with a Principal he met at an education conference. During this ongoing affair he allegedly actively led this woman to believe he was divorced. This continued through the time when he was hired by RRISD. This long affair ended recently after he was told by this woman (I am leaving her name out for her protection) that she was pregnant with his baby.

In addition, upon further investigation and first hand interviews with the woman he allegedly violated and left in the dust, I have discovered she is making accusations of even more egregious actual criminal acts by Hafedh Azaiez against her. She tearfully states, he verbally threatened her and her unborn child in an attempt to scare her into submission to his will. He then allegedly followed through on his threats, this woman is now stating that he recently went out to meet her, assaulted her, shook her and threw her to the ground leaving visible damage to this woman and potentially harming his own alleged child.

In my interviews with her I have found her story credible. In addition, she is a very respected longstanding leader in the education community.

I urge the board to call an immediate meeting for the purpose of discussing this matter. This is one of the primary roles of the board, providing oversight for the Superintendent. I and many other community members urged you to take a few extra weeks to properly vet him once you revealed to the public that he was the final candidate. Through a 5-2 vote you ignored the community's concerns and moved ahead to approve his contract without delay. Now, you again have an opportunity to stop protecting your own political careers and instead act in the best interest of RRISD teachers, students and parents. Will you?

Sincerely,

Subject: Restraining order against Superintendent Hamed Azaiez

Date: August 2, 2021 at 3:39:11 PM CDT

To: amy_weir@roundrockisd.org, Amber Feller <amber_feller@roundrockisd.org>, tiffanie_n_harrison@roundrockisd.org, Jun Xiao <jun_xiao@roundrockisd.org>, mary_bone@roundrockisd.org, Cory Vessa <cory_vessa@roundrockisd.org>, Danielle Weston <danielle_weston@roundrockisd.org>

Board of Trustees,

Today at 11:11 Superintendent Hamed Azaiez was served with an order issued by a court for immediate temporary enforcement of a restraining order based on clear and present danger of family violence. Further court appearance will evaluate any cause for the order to be extended by years. My understanding and research indicates that anytime a court issues such an immediate order it is because the need for immediate protection was based on real and tangible evidence provided to the court. The only reason for the slight delay in this filing was Superintendent Hamed Azaiez had filed a restraining order prior. I believe he did this in an effort to silence the woman making these accusations. That restraining order was then removed by Superintendent Hamed Azaiez himself. I and other members of the community warned each of you of Superintendent Hamed Azaiez prior use of Donna ISD (his former district) police to enforce a restraining order on a different citizen of his district who was making claims against him. Trustees Weir, Feller, Harrison, Xiao, and Vessa I urge each of you involved to resign now to avoid causing the district further hardship and embarrassment as you abdicated one of the highest priorities of a School Board member, providing oversight to the Superintendent. I am simultaneously thankful for how I have watched Trustees Bone and Weston boldly advocate for further investigation by the school board from an employment HR perspective. The police have their role AND so does the school board. They are different roles but, both have valid roles in this matter.

In addition, by not taking action inside Round Rock ISD you subjected the district to strong potential harm which has already resulted in the resignation of high level educators/administrators in RRISD. Need we all dig deeper into this matter? Your resignations along with Superintendent Hamed Azaiez will end this matter for the district. The fact that, I as a community member, was able to discover all this while you played politics with our children is reprehensible. I wholeheartedly support Superintendent Hamed Azaiez taking the time to deal with all these personal matters. I hope and pray for nothing by God's full best for Superintendent Hamed Azaiez personally; however, I will advocate strongly for his removal from his position of power in our district. He then can fully deal with his personal matters while minimizing the risk of any further harm or distraction for the education of kids in our district and the ability of administrators and teachers to do the jobs they sacrifice so much for.

I can attest to the facts regarding the restraining order because I saw it happen with my own eyes. In addition, I have video evidence today that I personally recorded showing district employees literally denying that the constables were in the district office. I walked in seconds behind the people who served Superintendent Hamed Azaiez with a restraining order. When I politely and calmly questioned the employees who greeted me in the lobby as to who were the people were whom they just let quickly walk through their lobby into the back offices, they actually tried to lead me to believe they were ok allowing anyone to run by who 'seemed' to be employees. Certain members of the district administration have been complicit in covering up this matter. I suggest they all start telling the truth about what they know.

Lastly, I hereby request the opportunity to come testify to the school board and answer questions at the very next public school board meeting. I am not requesting the ability to speak for 3 minutes during public comment. That is always my right. I am requesting the ability to testify at further length and to interact with the school board and answer your questions in this matter which will take more than 3 minutes. This has been the practice with the school board on other serious matters. I assume that you would have no problem seeking truth in this matter by engaging in a public dialogue with a concerned and informed RRISD community member with firsthand information. Refusal of this request should be met with utmost scrutiny by the RRISD public. I am not afraid of the truth, are you?

Sincerely,

Jeremy Story

Board of Trustees,

Trustees Amy Weir, Amber Feller, Tiffanie Harrison, Jun Xiao, and Cory Vessa have each expressed their belief in different ways that this doesn't need further investigation/action and/or have ignored or refused to speak with me to investigate to discern if there is truth to this serious matter. Some of these five have even gone so far as to question the validity of the woman's claims who is the alleged victim in this matter while at the same time refusing to hear further about the matter. Some have passed along sensitive information to Hamed Azaiez or worked together apart from the whole board to stop further investigation. This sends a signal that no one can safely approach these board members with a serious grievance concerning the Superintendent. This is a gross error in judgement that is compounded by previously ignoring warnings from the community for the need to further vet the Hamed Azaiez before hiring him.

Accordingly, I officially respectfully request any of the above Trustees involved in this cover up and poor decision making immediately resign. If you don't feel this applies to you then stay on the board and face the public scrutiny on this matter. For those that haven't been involved you have nothing to fear from public scrutiny. We all make mistakes. It isn't my desire to drag this out further. The decision is yours. Remedy your mistake by respectfully resigning. My bottom line goal is to protect this woman, her unborn child, and the the children, teachers and administrators of RRISD.

Sincerely,

Jeremy Story

Board of Trustees,

An issue of grave concern has been brought to my attention. The recently appointed Superintendent, Hamed Azaiez has been accused of having extra-marital sexual tryst over the past four years with a Principal he met at an education conference. During this ongoing affair he allegedly actively led this woman to believe he was divorced. This continued through the time when he was hired by RRISD. This long affair ended recently after he was told by this woman (I am leaving her name out for her protection) that she was pregnant with his baby.

In addition, upon further investigation and first hand interviews with the woman he allegedly violated and left in the dust, I have discovered she is making accusations of even more egregious actual criminal acts by Hamed Azaiez against her. She tearfully states, he verbally threatened her and her unborn child in an attempt to scare her into submission to his will. He then allegedly followed through on his threats, this woman is now stating that he recently went out to meet her, assaulted her, shook her and threw her to the ground leaving visible damage to this woman and potentially harming his own alleged child.

Proof of lies - urgent need for a meeting

To: amy_weir@roundrockisd.org, Amber Feller, tiffanie_n_harrison@roundrockisd.org, Jun Xiao, Mary Bone, Cory Vessa, Danielle Weston

Board of Trustees,

Trustees Weir, Vessa, Feller, and Harrison just issued a misleading public statement denying knowledge of the heinous accusations and precarious situation facing Superintendent Azaiez. In the same statement they also accused Trustees Bone and Weston of making false statements simply because they were advocating for reviewing the Superintendent's contract. Superintendent Azaiez has made materially false representations to the board regarding his relationship with his family as a reason to extend his contract, has maintained an extramarital affair for four years with repeated lies and the presently is facing credible allegations that he assaulted his pregnant mistress with intent to kill his own child. Trustee Bone and Weston's suggestions to add this to a special meeting or regular meeting agenda are warranted. In contrast, the three board officers and Trustee Vessa are engaged in Orwellian doublespeak. Documents show the board has been fully aware of this situation and was also informed directly by the victim herself.

Superintendent Azaiez has now been served with a Ex Parte protective order for family violence. Ex Parte motions are immediately enforced before a hearing, as such, this type of order carries a high standard of proof by the victim seeking protection. The alleged victim received such an order from a judge against Superintendent Azaiez precisely because of the evidence she presented. As an employee of the Texas BAR, Trustee Weir knows better but, is falsely misleading the school board into disregarding this order as easy to get.

The victim of Superintendent Azaiez was delayed in seeking protection because Superintendent Azaiez attempted to use a court order to silence her. Unlike the victim's request to the court, Superintendent Azaiez's request was revoked due to lack of evidence. In his order he misrepresented himself to the court by making false claims about the victim harassing his 'wife' when, in fact, she was only warning her of the Superintendent's extreme deception. Most importantly, he also pointed the finger at the board as the source of how he originally found out about the victim's claims. This means several board members are complicit in the alleged assault. **Instead of helping the victim; you informed and empowered the alleged assaulter, the Superintendent.**

I stood up for the victim to inform you. She needed to work with me due to your negligence in addressing this matter. Several of you have tried to dismiss the victim's claims as 'rumors from community members.' **Your willful ignorance to inquire as to the evidence I have offered to provide doesn't make the claims rumors. It does however, make you further grossly negligent this matter. A simple use of the phone and mild concern would enable you to contact law enforcement to evaluate the credibility of these claims. The police have a role in evaluating the criminal implications of these matters while the board ALSO has a role in evaluating the employment and contractual implications of these matters.**

The truth is you are deceiving the public. You are fully aware of the seriousness of these claims and are trying to help the Superintendent. You are intentionally avoiding setting up a special board meeting or even adding an agenda item on the next regular board meeting on this subject. You are the supervisors of the Superintendent. You are the only people a citizen can rightly file a grievance with concerning the Superintendent instead are willfully avoiding the very definition of their roles. You have done this against the Texas Constitution and RRISD Bylaws. It is a sad day in Round Rock. School is starting with an alleged adulterer, liar and assaulter at the helm of our district.

Trustee Weir, Feller, Harrison, and Vessa you should resign immediately. Trustee Xiao, I encourage you to realize these board member's ruse and about face to help Trustee Bone and Weston as they rightfully request an open board meeting on this subject. Why go down with these other Trustee's sinking ship? Are you trading favors to get a vote to enforce masks in our district and violate the Governors orders at great cost to RRISD? Such horse trading will only pull you down with these errant board members.

In times like these when our public officials cover truth, a citizen's primary recourse is to expose the truth to the public. **As such, I am releasing to the public the victim's protective order and the prior affidavit Superintendent Azaiez's** filed in an unsuccessful attempt to silence the victim. In this affidavit, he directly implicates school board members in an alleged crime. Along with many members of the community I demand immediate review of the Superintendent's contract and overall performance in relation to this matter.

Sincerely,

Jeremy Story

On August 16, 2021, Officer Milton Pope #520 of the Round Rock ISD Police Department (RRISD PD) located at 1311 Round Rock Ave, Round Rock, TX 78671 removed a subject for violating Texas Penal Code 38.13 Hindering Proceeding by Disorderly Conduct.

Officer Pope was assigned to provide security for the Round Rock ISD (RRISD) Board of Trustees meeting located at RRISD Building 100, 1311 Round Rock Ave, Round Rock, TX. At 5:28 P.M., Officer Pope observed an individual standing up in the room that violated social distancing Covid protocols pre-established for the public seating area in the board room. Officer Pope approached the individual who was identified as Jeremy Wade Story, W/M, DOB 06-25-1975. Story was informed of the COVID protocol rules that were initiated by the RRISD Board of Trustees. Office Pope continued to explain the regulations and that there would be limited seating, social distancing, and no standing. Story was informed that there was an overflow room outside of the meeting hall with a projector screen so that attendees could watch the board meeting. Officer Pope informed Story that he could not remain standing in the rear of the Board Room. Story replied he had a right to stand wherever he wanted, and the board did not have the authority to have any officer enforce COVID protocols. Story continued to state Officer Pope could not tell him when or where not to stand during a public board meeting. While Officer Pope discussed the COVID protocol measures with Story, Officer Frank Pontillo badge# 542 of the RRISD PD approached Story and informed him of the same protocols. At which time, Story became disruptive while the meeting was preparing to start. To prevent creating a scene during the meeting, Officer Pope allowed Story to stand to the rear of the board room during the session.

Shortly thereafter, Story was offered a seat by another person attending the meeting. Story asked Officer Pope if he could accept the seat; Officer Pope replied, "Yes, you may." However, while Story was seated, he made two outbursts, not sure what was said, whereas Officer Pope informed Story that he could not speak or comment until called to the podium. Story acknowledged Officer Pope's request and remained quiet during the duration of the first half of the board meeting.

At approximately 8:35 P.M., Story was called by the board to speak. Weir instructed Story not to deviate from the subject of the mask mandate. Weir asked Story if he understood and Story acknowledged that he did. Story spoke on issues concerning the mask mandate and suddenly transitioned into an unrelated topic about the superintendent and a protective order. Weir instructed Story to stop speaking on the unrelated subject however, Story ignored Weir's request and continued to speak about an unrelated topic. While discussing the unrelated topic Story also had several outbursts, up to and including yelling and screaming about how the law was being broken and violated by the board. Weir asked Story several times to exit the board room, but he refused. Weir directed officers to remove Story from the board meeting for disrupting the board proceeding.

Officer Pope and Officer Pontillo contacted Mr. Story and asked him several times to exit the board room, but he refused. At that time in response to his refusal to leave after repeated requests, Officer Pope grabbed Story around the arm and both Officer Pope and Officer Pontillo forcibly escorted him out of the board meeting. While Story continued to resist, yell and scream, causing a major disruption during the board meeting, as officers worked to remove him from the board room.

Mr. Story was escorted from the board room through the main entrance overflow seating area. Public citizens were seated in the overflow seating area, watching the board meeting on a monitor. Officer Pope continued to attempt to reason with Story and requested numerous times for him to lower his voice. However, Store continued to be verbally loud, verbally disruptive, and uncooperative. Officer Pope and Officer Pontillo escorted Story out of the building at the main entrance of the 100 building. The incident was

On 08-16-22021 at 1700 hours, I, Officer Frank Pontillo #542 and Officer Milton Pope #520 were working security at the Round Rock Independent School District Board Meeting. Officer Pope and I are both employed as Police Officers for the Round Rock Independent School District. The board meeting took place at 300 N. Lake Creek Dr., inside the 100 Lecture Hall.

At approximately 1728 hours, I observed that Officer Pope made contact with a white male wearing an orange shirt. The subject is known to officers as being Story, Jeremy Wade W/M 06-25-1975. It should be noted that a few minutes earlier, Officer Lauren Griffith #526 observed Mr. Story in the parking lot and advised Officers that he was wearing an orange shirt and had entered the building. Officer Griffith has had previous contact with Mr. Story at the Round Rock ISD Admin Building. Officer Pope advised Story that since there were no more empty seats in the board room, he would need to leave. Mr. Story stated that it was his right to be there and that he wasn't going to leave. Under the circumstances, Officer Pope and I decided to let Story stay in the board room instead of forcefully removing him. Eventually Mr. Story was able to locate a seat. This contact was partially recorded by my body camera.

During the board meeting Mr. Story had one outburst. It was unknown exactly what he said. This caused Round Rock ISD Police Chief J. Yarbrough to give Mr. Story a verbal warning about his behavior.

At approximately 2035 hours, Mr. Story was called by the board to speak. Mr. Story spoke about an unrelated topic and was told to stop speaking by the Board President, Amy Weir. Mr. Story ignored Ms. Weir and continued to speak about an unrelated topic that was not on the board's agenda. Mr. Story also began to yell and scream about the law being violated. Ms. Weir asked Mr. Story several times to exit the board room but he refused. At that point Ms. Weir instructed Officer Pope and I to remove Mr. Story from the board room. Officer Pope and I made contact with Mr. Story and requested several times that he exit the board room but he refused. It should be noted that Mr. Story continued to yell and scream which caused a major disruption during the board meeting. Officer Pope and I had to forcibly remove Mr. Story from the premises.

Chief Investigator McKinney,

This is my response to our prior conversation and your request for this in writing. On the night of August 16th, 2021 I was unlawfully physically restrained by the Round Rock ISD (RRISD) Police at the Round Rock school board meeting in an attempt to silence speech they objected to and violate my free speech rights. The officers acted at the prompting of the Superintendent and Board President. No warning was given that restraint would be used. No reason for such restraint was given at the time of surprise restraint. I was not doing anything worthy of restraint.

In so doing the Round Rock police violated Penal Code (Title 5 Section 20.01). It is important to also note that school board policy is not the same as the law. RRISD police do not exist to execute the whims of school board members or the Superintendent. The RRISD Police exist to enforce the law. To do otherwise reduces board members and Superintendent to being thugs and warlords with their own personal police force.

The Superintendent and Board President violated the Penal Code as well through abuse of power and official oppression. (Title 8 Section 39.02 and 39.03).

Before I stood up to speak the Board President disrupted the meeting by addressing me in an effort to intimidate and silence my speech. Though numerous other speakers addressed the board that night, none were interrupted before they even began. I was singled out and targeted because of my previous letters to the board bringing to light that several of them were complicit in informing and enabling the Superintendent to allegedly assault his mistress who was pregnant. They didn't want me discussing the publicly available protective order against the Superintendent nor the publicly available affidavit from the Superintendent where he inadvertently implicates the Board President as having informed him about a confidential report made to the board by woman who was the alleged victim in this matter.

I responded to the Board President kindly and firmly that I would gladly show her and the board why what I was about to say was germane to the items on the agenda. She refused to listen and spoke over me. She also initially told me she wouldn't listen to that. I asked her directly if she was saying that she wasn't willing to listen to why what I would say was germane. All of this happened before I had even begun the content of my speech. When she wouldn't stop continually disrupting the meeting and the legally allowed time for my comments; I began my speech.

Once I got to the part of my speech she disagreed with, she banged her gavel, turned off my mic and shouted in a disruptive attempt to silence me. In an effort to still be heard, I raised my voice and continued my speech. Shortly after this the Superintendent motioned to two officers at the back of the room who grabbed me by the arms and drug me out of the room and through the building to the front door of Round Rock High School.

Once they had me in the hall, I asked them why they were restraining me. One officer replied that I was disrupting the meeting. No such statement was made by any board member at the time of the officers moving against me. I began and continued my speech in a normal tone and manner until the Board President repeatedly disrupted the meeting and my speech personally. I only raised my voice once the Board President unlawfully attempted to silence me.

It doesn't even matter whether my words were germane or not. The law was still violated with my unlawful restraint and the concurrent abuse of power by several public servants. However, my words were indeed germane to items on the agenda.

A constable and several other people commented before me on the rule of law and public safety. About 90% of the text of a resolution on the agenda also included numerous references to the safety of students, parents, district employees and the board's role in oversight of the superintendent. My speech was on the role of law and public safety. The rule of law and public safety were definitely the major theme of the night. My use of empirical examples in a speech (i.e. mentioning several board members were covering up the Superintendent's restraining order for violence and possible criminal charges) in order to show proof of a string of violations of the rule of law from the board was germane. Many other empirical examples

referencing other events as proof of points were given and allowed in numerous other community member's comments. Simply put, the Board President and Superintendent didn't particularly like my particular empirical example to prove a point.

I was also unlawfully targeted and intimidated by the RRISD Chief of Police shortly before I spoke. During the first board meeting break at about 8pm, he walked over to me and told me, "I need to come with him to speak with him outside the board room." When I requested the reason for his request he just repeated himself. I respectfully declined to leave the room to speak with him and instead said I would be willing to speak with him in the board room. He then threatened to "remove me from the room if I disrupted the meeting after the break." I asked him why he was singling me out since many other members of the audience had made loud derogatory remarks towards speakers before the break while I had made none. He stated that he would approach them too if others did that. I reminded him that others had already done that numerous times. At that point he just turned around and walked off without answering. This was an attempt by whomever directed him to speak to me to intimidate me and suppress my free speech rights. It also was not proper procedure for issuing a warning. Lastly, there was no equal protection, he approached no other attendee during the break. He was instructed to directly target me.

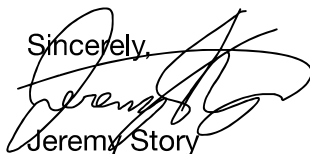

In addition to this, several members of the board committed another violation in a long string of violations of the Open Meetings Act in an effort to silence more community voices. They made a last minute decision to force the majority of the attendees to the meeting to sit in the lobby of the high school rather than allowing them in the board meeting. They had the RRISD police lock the doors to the board meeting room and only allowed about approximately 18 people into the actual board meeting.

One board member publicly vocalized her concern this action violated the open meetings act when she saw officers try to encourage me to leave because I was quietly standing at the back wall rather than sitting in a chair. The board member also expressed that she wasn't aware that people were being kept in the lobby, indicating that a portion of the board made a decision without a collective vote which resulted in not allowing the grand majority of the attendees to fully participate in the meeting. This also effectively changed the venue for the meeting from the lecture hall as was posted in the required Public Meetings Act advance announcement to the high school lobby. It also effectively turned the meeting into a virtual meeting for the grand majority of attendees whereas the Public Meetings act requires an advance notice for such a decision. After this the officers decided it was ok for me to stand in the meeting.

I request to know who officially gave the order for these officers to restrain me and when. The only visible evidence of an order was that of the Superintendent waiving his hand at the officers right before they moved to grab and detain me. This indicates either a misunderstanding by these officers or a premeditated plan of what to do when he waived his hand. Judging from how neither the Board President nor Superintendent objected to what happened right in front of them; it can only be deduced they were in agreement with what occurred and therefore had a prior plan as to how to unlawfully deal with what they felt my speech would be.

I also request immediate charges be filed against the Superintendent and Board President in this matter. I value the work that the police do. I am saddened by how the RRISD police department was used inappropriately by the district in this matter and put into an untenable place by those in authority over them.

Sincerely,

Jeremy Story

The names of the involved educators and school board members are:

Hafedh Azaiez, Superintendent
Amy Weir, Board President
Amber Feller, Vice President
Tiffanie Harrison, Secretary
Jun Xiao, Trustee
Mary Bone, Trustee
Cory Vessa, Trustee
Danielle Weston, Trustee

Background:

First, our Superintendent was recently hired against requests from many community members to take a week or two to further vet him due to potential unusual behaviors reported in Donna ISD, his previous district. These behaviors included his issuing an unlawful restraining order using district police against, Raquel Gonzales Martinez, an elderly woman. Instead of heading these warnings he was hired in a 5-2 board vote. Immediately following the vote, during the same meeting when this vote occurred, the two board members who voted 'no', Mary Bone and Danielle Weston, were surprised by a public announcement of the Board President. Amy Weir announced that the new Superintendent was indeed present. District employees then brought him out of a back room. She had previously coordinated district personnel and resources and worked with a quorum of the board to be able to effectively promise the Superintendent that he would be hired. With this promise secured, RRISD paid for a hotel room for the Superintendent and he was encouraged to make a 6 hour drive from Donna ISD to Round Rock so he could come out of a back room right after the vote.

Second, it is important to note that our Superintendent now has a restraining order against him for family violence due to alleged assault of his girlfriend. The woman in question is a high level Texas Educator who alleges he threatened and then assaulted her after she confidentially sought help from our school board and refused to have an abortion he requested. She is pregnant with his child and his intent was to kill the child. She approached the school board because He threatened to use the power of the school board to discredit her. I have spoken with the victim personally and find her claims credible and backed up by my subsequent evidentiary research.

I have included the restraining order and original letter from the alleged victim to the board. I have also included an affidavit the Superintendent filed in a Williamson County court where he attests to a court he was informed by the board President regarding the matter. Amy Weir, Board President, immediately ran to inform, aid and warn the Superintendent rather than the President seeking to dialogue with the victim or report it to the appropriate place of oversight. I also have proof several other board members are involved in this cover up. I have sent several letters to the board and inquired with each of them. Every board member but Ms. Weston and Ms. Bone have responded indicating one or more of the following: they don't see this as an issue to be addressed in any capacity by the school board or they discredited the alleged victim. Ms. Weston and Ms. Bone were alarmed and have worked to engage the board in reviewing the Superintendent's contract. They have been met with resistance and been ignored. Moreover, all board officers and Trustee Vessa issued a public statement denying they had ever heard from the alleged victim.

Further Complaint Regarding My Personal Rights:

I have notified and filed a complaint regarding this matter with our County Attorney, Dee Hobbs and with the RRISD police department through Jim Williby, Assistant Chief of Police.

On the night of August 16th, 2021 I was unlawfully physically restrained by the Round Rock ISD (RRISD) Police at the Round Rock school board meeting in an attempt to silence speech they objected to and violate my free speech rights. The officers acted at the prompting of the Superintendent and Board President. No warning was given that restraint would be used. The Superintendent and Board President violated the Penal Code as well through abuse of power and official oppression. (Title 8 Section 39.02 and 39.03). In addition the whole form of the meeting was in violation of the open meetings act with intention to silence the public.

Several people had been silenced by the Board President, Amy Weir, shouting over them when they began to speak about matters she didn't want to hear. Before I stood up to speak the Board President disrupted the meeting by addressing me in an effort to intimidate and silence my speech. Though numerous other speakers addressed the board that night, none were interrupted before they even began. I value the work that the police do. I am saddened by how the RRISD police department was used inappropriately by the district in this matter and put into an untenable place by those in authority over them.

I have attached a link to video evidence of all of the above assertions. In them you will see a calm and polite citizen confronted by several members of an out of control school board using the police as their personal Gestapo. If needed, I can provide even further evidence to the TEA on any of these assertions any related assertions involving possible other violations you want to investigate.

I seek removal of the Board President, Amy Weir from the school board and the Superintendent be put on leave. I seek custodial oversight, if necessary for the RRISD district or school board. I seek any other remedy available to the TEA if the above remedies are not valid TEA actions.

Sincerely,

Jeremy Story

Agenda Item No. G4 – Approval of the Capital Area Regional Day School Program for the Deaf (RDSPD) Shared Services Agreement

Shared Services Arrangement Abstract - Texas Education Code (TEC) Chapter 30, Subchapter D requires the Texas Education Agency (TEA) to have a process of providing, on a statewide basis, a suitable education for students who are deaf or hard of hearing. Part of this process involves the establishment of regional day school programs for the deaf (RDSPDs) in each of the state's regions. Under 19 Texas Administrative Code (TAC) §89.1080, all local educational agencies (LEAs) shall have access to RDSPDs. LEAs include independent school districts and charter schools. Any student who has a hearing impairment that severely impairs processing linguistic information through hearing, even with recommended amplification, and which adversely affects educational performance shall be eligible for consideration for the RDSPD, subject to the recommendations of the student's admission, review, and dismissal (ARD) committee. 19 TAC §89.1080.

As part of the comprehensive statewide plan for educational services for students who are deaf or hard of hearing, including the legislative mandate of TEC §30.083 regarding the provision of appropriate education in regional day school programs for the deaf, TEA authorizes and encourages LEAs or education service centers (ESCs) to enter into contractual arrangements with other LEAs to effectively and efficiently jointly operate RDSPDs so that the intent of TEC Chapter 30, Subchapter D is met. At this time, our current LEA member districts remain unchanged, and we are in partnership with nineteen surrounding school districts.

Capital Area Regional Day School Program for the Deaf has made revisions to our current Shared Services Arrangement. We have made the following revisions:

- Overall edits to reflect the change in language from Auditory Impairment to Deaf/Hard of Hearing
- Clarification of our fiscal practices, to include more specificity regarding the calculation formula for our budget/tuition, distribution of financial shortfall, indirect costs, etc.
- Exhibits to delineate services for charter schools and non-member districts, to include specific costs and responsibilities
- Details surrounding PEIMS data entry and corrections
- Slight revisions to our communication philosophy
- Updated information about periodic program reviews
- Provision of interpreting services for extracurricular activities and billing for those services

The Board approved the Capital Area Regional Day School Program for the Deaf (RDSPD) shared services agreement as presented.

Agenda Item No. G5 – Adoption of Resolution for Extension Agents of Travis/Williamson Counties as Adjunct Faculty for 4-H Members' Extracurricular Participation

The State Board of Education passed an amendment to 19 TAC Chapter 129.21 (k)(1) and the Students Attendance Accounting for State Funding Purpose, June 9, 1994, that allows public school students to be considered “in attendance” when participating in off-campus activities with an adjunct staff member of the school district. This amendment provides local school boards the opportunity to recognize County Extension Agents as adjunct staff members and to recognize county students' participation in 4-H/Extension educational activities as “in attendance for Foundation program purposes.”

Extension agents for Travis County and Williamson County have requested that the Round Rock ISD Board of Trustees recognize the Extension Agents of Travis County and Williamson County as adjunct faculty and recognize currently enrolled 4-H members as approved for recognition and eligible for extracurricular status consideration.

The Board adopted the Resolution for Extension Agents (AgriLife employees) of Travis County and Williamson County be recognized as adjunct faculty of Round Rock ISD and that currently enrolled 4-H members under their supervision be eligible for extracurricular participation and subject to all rules and regulations set forth for extracurricular participation.

Dear Superintendent Azaiez and Board President Weir:

The purpose of this letter is to notify you that the Texas Education Agency (TEA) is requesting your signed and dated agreement of the Corrective Action Plan attached to this letter. In August 2020, TEA requested information regarding alleged violation(s) of Tex. Educ. Code Chapter 11, Subchapter D – Powers and Duties of Board of Trustees of Independent School District.

Allegations and Description of Complaint

The complaint included the following allegations, which pertain to the 2018-2019 school year and subsequent years:

FOR IMMEDIATE RELEASE – September 22, 2021

Dr. Mary Bone and Captain Danielle Weston release this statement regarding the issuance of a Temporary Restraining Order against RRISD Board of Trustees and are not speaking for the Board but only for themselves as private citizens. We are very thankful to the 425th District Court for granting a Temporary Restraining Order against the Round Rock ISD Board of Trustees and the five individual trustees who were attempting to stifle discussion about important issues facing our community and prevent two strong voices on the board of trustees from fully advocating for the educational needs of 47,000 students. Per the Court's order, we will spend the next two weeks gathering evidence in the discovery process. We will then have an opportunity to present more facts and information to the court for a decision. We are hopeful that with the Court's ruling that we may be able to resolve our differences with the other board members and get back to spending important time, energy and resources on meeting the needs of students. These precious students in RRISD have endured historic learning loss over the last 18 months, they have missed out on many rite-of-passage events and have been isolated from peers and mentors in our schools. They and their families have suffered in unimaginable ways. We will continue to relentlessly advocate for these children, restoring the Rule of Law, protecting parental rights and the principle of open government. Lastly, we wish to thank the countless parents, teachers and community members who have overwhelmed them with support, love and prayer.

Dr. Mary Bone and Captain Danielle Weston

September 22, 2021

provide the due process rights afforded to Plaintiffs by the U.S. and Texas Constitutions, the Texas Government Code, and state law. The Court finds a substantial threat of irreparable harm if the injunctive relief requested is not granted, in particular the reputational harm and inability of Plaintiffs to fulfill their obligations as Trustees, that granting this TRO is proper and necessary to preserve the status quo, that the foregoing injuries cannot be compensated fully and adequately by money damages because they would be extremely difficult to measure by a certain pecuniary standard, and that if the Court does not issue this temporary restraining order, Plaintiffs may be irreparably injured were Defendants to continue their unlawful conduct by publicly censuring Plaintiffs on September 22, 2021.

The Court finds that Plaintiffs lack an adequate remedy at law because legal remedies alone will not be able to fully, finally, and equally provide them total relief if this TRO is not granted pending a temporary injunction hearing. Specifically, the Court finds that should Defendants publicly censure Plaintiffs based upon allegations concerning Plaintiffs' actions related to a legislative measure, then Plaintiffs are likely to suffer irreparable reputational harm, which could not be adequately remedied by monetary damages. In addition, because the vote on the censure is set to occur today, it would be impossible for Plaintiffs to properly prepare for and defend against Defendants' actions and, without a TRO, a court will not have the time or ability to adjudicate this matter before the harm occurs.

The Court further finds that the relief granted here imposes no greater restraint than is necessary to protect the legitimate interests of Plaintiffs.

THEREFORE, it is hereby ORDERED that Defendants are temporarily restrained from:

1. Publicly or privately censuring Plaintiffs Danielle Weston and Mary Bone at the September 22, 2021 Board meeting;
2. Violating the Round Rock Independent School District Board of Trustees Operating Procedures by taking a vote on censure before completing steps K(1) and K(2) of the Operating Procedures;

3. Taking any actions that are contrary to the Round Rock Independent School District Board of Trustees Operating Procedures, the Texas Constitution, the U.S. Constitution, and the Texas Government Code § 572,059, including but not limited to censuring Plaintiffs Danielle Weston and Mary Bone at the September 22, 2021 Round Rock Independent School District Board of Trustees meeting.

It is FURTHER ORDERED that Defendants are restrained from destroying or spoliating any potentially relevant evidence, and to properly place a litigation hold including on all ESI.

It is FURTHER ORDERED that the Parties shall be entitled to conduct reasonable, limited, proportionate, and expedited discovery, including responding to up to 10 requests for production and 5 interrogatories within 5 business days of service of the same, and taking 2 depositions per side of no more than 3 hours each no later than 12 days of this Order.

This TRO shall be binding upon Defendants and all of those persons in active concert or participation with Defendants who receive actual notice of this Order.

It is FURTHER ORDERED that this TRO shall remain in full force and effect for 14 days unless extended for a longer time by consent or for good cause shown.

Bond is hereby set at \$100 because the Board is a governmental entity and there is no harm to the Board in not conducting a censure vote at its September 22, 2021 Board meeting.

A hearing to determine whether a temporary injunction should be entered in this matter that will be in full force and effect while this matter is pending before the Court for a trial on the merits is hereby set for Oct 6, 2021, 2021 at 9:00 a.m. / p.m.

MEMORANDUM Williamson County Sheriff's Office

Date: March 8, 2021

To: All Law Enforcement Agencies

From: Kathleen Pokluda, Assistant Chief Deputy

Subject: Change of Intake Location

We have recently obtained Rapid COVID-19 tests to assist in the identification of arrestees during the intake process that may be positive without exhibiting signs and symptoms. The added capability of doing this will allow us to change our intake location back to the "new sallyport". Effective immediately, intake will not be accepted through the "old sallyport." Incoming arrestees will be processed in the pre-covid sallyport/booking area and the intake process will not change; however, all incoming inmates will be asked to submit to a COVID-19 test during the medical intake. Inmates refusing the rapid test will be placed in quarantined. All other COVID-19 intake assessment procedures will continue. Any arrestee who tests positive on the rapid test, is running a fever or has indicators of possible COVID-19 will be quarantined.

All officers entering the facility are still required to wear a mask according to current protocols. Inmates will still be provided a mask and staff monitoring and compliance in wearing them will be continued.

Arrests that will not be accepted into the facility are as follows:

1. Traffic Offenses (misdemeanors)
2. Traffic warrants unless there is an Order of Commitment from the court that issued the warrant.
3. Any offense that can be issued a citation and released.
4. Any class C or B charge or warrant that does not involve acts of violence or place a person in danger.

Arrests that will be accepted into the jail facility are as follows:

1. Any Felony
2. Any Family Violence offense or other offense that involves violence against another person.
3. Driving While Intoxicated

This policy will be reviewed again on April 9, 2021, or as the situation warrants.

AFFIDAVIT FOR WARRANT OF ARREST AND DETENTION

The undersigned Affiant, who after being duly sworn by me, on oath, makes the following statement:

I have good reason to believe, and do believe, that **Jeremy Wade Story**, on or about the **16th** day of **August 2021**, in Williamson County, Texas, did there and then knowingly or intentionally commit the offense of: **Hindering Proceedings by Disorderly Conduct PC 38.13**.

My belief of the foregoing statement is based upon:

_____ Personal Knowledge

XXXX Information provided to me by **RRISDPD Sgt. Milton Pope**, a credible person who personally observed or gathered such information.

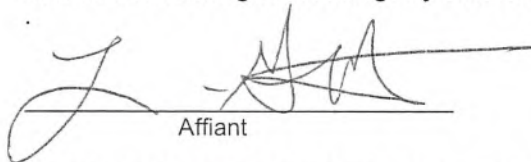

Facts supporting my belief of the foregoing statement are as follows:

1. Affiant is a Detective Sergeant for the Round Rock ISD Police Department and has been employed at RRISDPD since September 2020. Affiant was assigned this case and learned the following information.
2. Affiant knows that on August 16, 2021, Jeremy Story attended a Round Rock Independent School District Board Meeting located at Round Rock High School 100 Lecture Hall (300 N. Lake Creek Drive, Round Rock, TX 78681).
3. Affiant learned that at approximately 8:35 p.m., Story was called upon by the Board of Trustees to speak at the podium on the subject of the mask mandate. Affiant learned RRISD Board of Trustee President Amy Weir informed Story he was attending a called meeting and would only be able to speak about the items on the agenda, specifically the mask mandate. Affiant learned Story acknowledged President Weir and advised President Weir he agreed. Affiant learned during the duration of Story's time to speak, RRISD Board of Trustee President Amy Weir instructed Story to stop speaking on unrelated topic's and to only discuss the mask mandate. Affiant learned while Story was discussing the unrelated topics, Story had several outbursts. Affiant learned after several verbal warnings from RRISD Board of Trustee President Amy Weir, Story continued to have verbal outbursts. Affiant learned RRISD Board of Trustee President Amy Weir requested for Story to be removed from the board room for hindering and disturbing the board proceedings.
4. Affiant learned Sgt. Pope and RRISD Officer Frank Pontillo approached Story and made several verbal requests for Story to leave the board room. Affiant learned Story refused to leave the board meeting.
5. Affiant learned Sgt. Pope and Officer Pontillo had to forcibly remove Story from the board room. Affiant learned while being forcibly removed from the board meeting, Story continued to resist Officers, yell, and scream causing a major disruption during the board meeting.

COPY

6. Affiant learned after Story was removed from the board meeting room, Story continued to be disruptive in the lobby where the overflow seating was located. Affiant learned because Story continued to be verbally loud, verbally disruptive, and uncooperative with Officers in the lobby where other citizens were watching the meeting live streamed, Story was escorted out of the building.

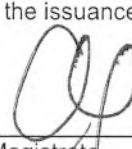

The Affiant is a Commissioned Peace Officer for the Round Rock Independent School District Police Department, Round Rock, Williamson County, Texas and believes that the above described events occurred in Williamson County, Texas. The Affiant also believes, based on the above stated facts, that the defendant has committed the offense of **Hindering Proceedings by Disorderly Conduct PC 38.13**.

Affiant learned RRISD Board of Trustee President Amy Weir gave Clark several verbal warnings to stop disturbing the board meeting.
4. Affiant learned that because Clark continued to hinder and disturb the board meeting, RRISD Board of Trustee President Amy Weir requested for Clark to be removed from the board room for hindering and disturbing the board proceedings.
5. Affiant learned Sgt. Chavez and RRISD Assistant Chief Jim Williby approached Clark and made several verbal requests for Clark to leave the board room. Affiant learned Clark refused to leave the board meeting.

HIDALGO COUNTY, TEXAS

PLAINTIFF'S ORIGINAL PETITION**TO THE HONORABLE JUDGE OF SAID COURT:**

NOW COMES, LETICIA PEREZ, Plaintiff herein, filing this Plaintiff's First Supplemental Petition, and Request for Equitable Relief, and for other causes of action would show the Court the following:

I. Discovery-Control Plan

1. Plaintiff intends to conduct discovery under Level 2 of Texas Rule of Civil Procedure 190.3.

II. Parties

1. Plaintiff Diana Quintanilla is an individual residing in Hidalgo County, Texas. She was employed by the Defendant, Donna ISD, prior to the negative employment action alleged herein, after which she was wrongfully terminated.

2. Defendant Donna Independent School District is a political subdivision, organized pursuant to law, and charged with the responsibilities of operating and maintaining a School District within the State of Texas. This Defendant may be served by serving its Superintendent,

C-0842-22-B

Angela Dominguez, at Donna ISD Administration located at 904 Hester Ave., Donna, Texas 78537

or where ever she may be found.

III. Jurisdiction

1. The Court has jurisdiction over the claim against Defendant under the Texas Whistleblower Act. § 554.0035 specifically waived sovereign immunity for any public employee alleging a violation of this chapter.

2. Plaintiff believes each element of damage referenced herein and sought by it herein is solely within the sound discretion of the court/jury and will rely upon the court/jury to determine the amount of damages to be awarded. However, pursuant to Rule 47 of the Texas Rules of Civil Procedure, Counter Plaintiff is required to state the maximum amount of damages sought in this case and therefore, in order to comply with this rule, Counter Plaintiff states that it seeks monetary relief over \$200,000 but not more than \$1,000,000.

IV. Venue

1. Venue is proper in Hidalgo County under Texas Government Code section 554.007(b) because this suit is a Whistleblower Act claim brought by an employee of a local-government entity, and this is the county where the cause of action arose.

V. Facts

1. Plaintiff has been employed by the Defendant for approximately 15 years in various capacities. These capacities include: Accountant, Child Nutrition Director, and Safety and Risk Supervisor.

2. Plaintiff faithfully served her employer, Donna ISD, without complaint or disciplinary action until June 2020 which was only after the Plaintiff had reported the illegal use

C-0842-22-B

of federal funds by the District by and through it's then Chief Financial Officer, Maricela Valdez.

3. On or about September 1, 2016, after Plaintiff was moved to the position of Child Nutrition Director, she noticed very wrong with the accounts for that department. After Plaintiff diligently reviewed the problem, she discovered that approximately three million dollars (\$3,000,000.00) was missing from the fund balance.

4. Plaintiff reported the missing money to her immediate supervisor and the two attempted to set up a meeting with the CFO, Ms. Valdez. Ms. Valdez refused to meet with the Plaintiff and Plaintiff's immediate supervisor. Based on the alarming amount which was missing, the Plaintiff and her supervisor decided to take the issue directly to the superintendent. The Superintendent ordered that the issue be taken to the Finance Director from Region One Education Center.

5. After the Plaintiff and her supervisor met with the Superintendent, Valdez became upset and yelled from across a room that the Plaintiff was lying and "didn't know what she was doing." She yelled this despite refusing to meet with the Plaintiff and obviously not fully understanding the issues that Plaintiff had communicated to the Superintendent.

6. On or About November 1, 2016, the Finance Director from Region One recommended that Defendant to return all funds immediately because CFO Valdez had not used the proper accounting methods.

7. CFO Valdez, responded with "Well, what if we don't have it?"

8. Several days after, the Plaintiff attempted to log on to the budget account only to discovery that her access had been taken away.

9. Despite being informed that she had used the wrong calculation and template,

C-0842-22-B

Valdez continued to used her improper accounting method to take an additional one million, one hundred thousand dollars from the Child Nutrition accounts.

10. On or about late December 2017, Plaintiff reported what the misappropriation of Funds from the Child Nutrition Accounts to the Donna ISD Police Department.

11. On or about January 16, 2017 and auditor from the Texas Department of Agriculture arrived at Defendant's administration building. After taking some time to figure out what was in fact occurring, Valdez was suspended and the Plaintiff's access to the District's Child Nutrition Accounts were reinstated.

12. The Defendant's prior Board of Trustees had engaged the services of Weaver and Tidwell LLP to conduct a forensic audit. The audit was damning for the Defendant. This stated in relevant parts:

- a. Defendant's "culture" had a pervasive fear of retaliation;
- b. Malaise, a feeling that nothing can be done, regarding wrongdoing;
- c. Active rumor mill fueled by the Defendant's lack of transparency;
- d. Management override by the School Board members and Superintendent;
- e. Superintendent Castillo delegated his duties for fiscal management to an employee, Valdez, that did not meet even the minimum qualifications for the position and did not have the necessary skills, education, training, and experience to hold the position;
- f. Neither the Superintendent, Castillo, nor Chief Financial Officer, Valdez, had the skills, education, training, experience, or basic understanding of generally accepted accounting principals.

C-0842-22-B

- g. Misuse and abuse of Donna ISD's anonymous reporting hotline with Lighthouse Services.
- i. Superintendent and Assistant Superintendent of Human Resources admitted to failing to provide information on the anonymous reports;
 - ii. Hotline link and phone number were not prominently displayed;
 - iii. Defendant failed to track the reports made on the hotline;
 - iv. Superintendent Castillo, admitted to wrongfully trying to unmask the anonymous reporters by utilizing the technology department and police department;
- h. Superintendent Castillo often deletes emails in violation of State law and the District's own retention policy. The back up journalization server did not function sufficiently to recover emails;
- i. Superintendent Castillo did not follow the proper procedure in searching for a Chief Financial Officer. Castillo ignored all the qualification standards and promoted Valdez who had not experience in accounting and was given a \$20,036.68 raise;
- j. On or about January 26, 2016 Valdez, as the CFO, signed off on and presented the Comprehensive Annual Financial Report to the Board of Trustees, even though she had no knowledge of how to prepare such report;
- k. Valdez, as CFO, supervised the Technology Department without having the skills, education, training or experience to supervise the Technology

C-0842-22-B

Department.¹

- l. Defendant employees overrode internal purchasing controls. Valdez allowed her husband to bypass normal purchasing rules by authorizing emergency purchase order. When questioned by the auditors about such action, Valdez denied involvement²;
- m. The Audit confirmed the Plaintiff's concerns regarding the misappropriation of the over 3 million dollars out of the Child Nutrition Department budget;
- n. Valdez was allowed to work for two days, with full access to the school property and school's system, after being told she would be suspended. Even after the suspension, Valdez was allowed to continue to log into the District's computer server for eleven days;

13. On or about November 2018, despite being implicated in the misappropriation of over three million dollars, Maricela Valdez runs for School Board and is elected to the Donna ISD Board of Trustees.

14. After the suspension of Valdez, the Plaintiff was able to bring the Child Nutrition Department's budget from negative \$1.7 million to five million eight hundred thousand in June of 2020.

15. After Valdez was elected to the board and despite the drastic improvement at the Child Nutrition Department, the Plaintiff began to be harassed by the Superintendent for false and ridiculous reasons.

¹ Maricela Valdez's lack of training, skills, and experience is a reoccurring theme during this time at Donna ISD

² See Weaver Audit page 14

C-0842-22-B

16. The day of the June 2020 board meeting the Plaintiff received a call from a board member inquiring why the Plaintiff was being nonrenewed. Plaintiff advised the board member that she was unaware of being nonrenewed but explained all that had happened up until that date. The Plaintiff was emailed a new contract at 5:30 pm on the last day of the contract.

17. When school resumed after the summer break, the harassment began almost immediately. Plaintiff was placed on administrative leave on September 28, 2020.

18. Plaintiff filed a grievance on the actions taken against her by the district, which were taken in retaliation of the Plaintiff's good faith reporting on the illegal misappropriation of State and Federal funds by the District's Chief Financial Officer and Superintendent.

19. As per usual, the District failed to take corrective action and decided to take no action at the conclusion of the Level III hearing.

20. Plaintiff has been left with the choice of accepting the Defendant's harassment and illegal theft of State and Federal Funds or file this suit to restore her reputation and bring to light how the Defendant District covers up illegal activity at the expense of the taxpayers. The Plaintiff chooses to file suit.

VI. Wrongful Termination of Plaintiff

1. The preceding paragraphs are incorporated herein by reference.
2. Retaliation occurs when an employer takes an adverse action against an employee because of some action on the part of the employee, including the reporting of a violation of the law to a law enforcement agency.
3. To establish a case of retaliation under the Texas Whistleblower Act, the Plaintiff must show:

C-0842-22-B

- a. The plaintiff is a public employee;
- b. The employee acted in good faith in making their report;
- c. The report involved a violation of the law;
- d. The report was made to an appropriate law enforcement authority; and
- e. The employee suffered retaliation as a result of making the report.

4. In this case, plaintiff was a public employee who made a good faith effort to report a violation of the law to an appropriate law enforcement authority and was retaliated against, by Donna ISD officials and employees. Such retaliation was as a result of her protected actions

VII. Injuries

1. The preceding paragraphs are incorporated herein by reference.
2. As a result of the foregoing acts committed against Plaintiff by Defendant, Plaintiff has suffered and seeks recovery of all damages allowed under Section 554.003 of the Texas Government Code and any other relief she is entitled to under the law.
